98	playground for kids
97	Indoor rec space for youth (other than the bus shelter, their current only hangout in Fall City).
96	Suspension bridge accross river
95	Firing range
94	the 39th street access road opened officially to allow trail users access to the Snoqualmie Valley Trail!!
93	Trail on the west side of the Snoqualmie River; coloboration with SNo Valley Rifle Club; Antique Logging Display - most old timers had connections with the mill or logging, lets not wait until they all die of old age before we try to preserve their history.
92	designated bike lanes (pref. off street) for major roads (202, 203, Preston-FC)
91	access to SV Trail
90	Basketball court
89	Softball fields; indoor activities

Question 6

Fall City Park District - Recreational activities survey

What recreational opportunity would you like to see established at Fall City Park or other potential location not listed in questions 4 or 5 above.

88	I'd like to see the Fall City Parks transferred out of King Co. Parks to the Fall City Parks District
87	Keep what we have maintained and clean
86	Let's connect Olive Quigly with a bridge
85	Picnic areas, benches, a gazebo for special occasions. Something like the new trail at the toll river/McDonald Park
84	areas that are specifically dog friendly
83	Peapatches, to feed more people

77	picnic / party facilities
76	Kite Flying or RC Airplane area for the area
75	pool
74	Access to equestrian trail network
73	A rural version of Preston Park would be great! A park that had opportunities for soccer, baseball, equestrians, play structure equipment, tennis courts, and skateboarders, would be fantastic! Is the former Wells Nursery site available?
72	nature related, camping, gardening, farming, area for performance
71	more parks and better trail access
70	Covered arena
69	Question 5 is messed up, I would like to pick more than 3 items.
68	none but I could only identify one use in each priority, there are more. For me public access with walking trails, bicycle and river access are high. I think the equestrian facilities are very important.
67	The footing of the horse arena must be maintained better.
66	section 5 mark soccer, bike and walking as high priority
65	More areas to ride
64	Skateboard park, Children's playground
63	climbing wall, sports field to generate revenue stream
62	n/a
61	Access to Snoq Valley Trail via road off Rutherford Slough. Purchase land or easement from Weyerhaeuser for permanent access.
60	skeet range, bike and walking trails, access to trail.
59	Gazebo, picnic tables.
58	don't like how #5 is formatted, we should be able to check more than one item in each level of priority
57	Keep the arena and trail access!
56	Better watering for the arena. When we've used it the track is watered well, but the arena is dry and therefore fairly dangerous footing to actually have any type of competitive event

Question 6

Fall City Park District - Recreational activities survey

What recreational opportunity would you like to see established at Fall City Park or other potential location not listed in questions 4 or 5 above.

55	This park is a very important asset to horseback riders in King county. Please preserve truck & trailer access and parking. An improved gravel trail beside 203 from the parking lot to the cross walk to get to the Snoqualmie Valley Trail would be appreciated. Riding between the field and the road is difficult.
54	covered picnic area
53	creation (by volunteers) of native plant areas and elimination of invasive species
52	horse jumping course
51	Covered picnic areas
50	Overnight stalls for horsemen coming from a distance.
49	Better access between parking and trail access.
48	trail maintenance for bicylists , equestrians and walkers, and riding arena
47	this survey form does not work... only allows 1 selection per column
46	swimming pool
45	I would mark several of the above listed activities as a high priority but the survey won't let me. A covered horse arena, tennis courts, play ground and walking trails to name a couple! Thank you!
44	More horse trails and larger parking spaces for trailers.
43	expanded horse activities
42	Partner with park district to offer local history
41	Picnic tables near river
40	Bicycle trails, open use play fields, walking trails, bike trails, skateboard,
39	let's connect Olive Quigly with a bridge
38	community swimming pool
37	A community center.
36	pool/water park
35	went I clicked on above items, if I had more than one in a priority area, the othe check mark disapered. Can you fix? Thanks for doing this, Sue Terbrueggen
34	unleased dog park
33	Equestrian trails
32	Basketball Court
31	Open campsites
30	community center
29	Off leash Dog area
28	I would love to see all of the above, but the survey won't let me!
27	Are you aware this form doesn't work? It won't allow choosing 2 or more buttons in the same column. Firefox on Mac OS 10.4 All I would visit is the horse, trail and river-related aspects of the park.
26	Baseball/Softball Multi-field complex with concessions and bathroom built in a way the soccer/football fields could also be established.
25	High priority for tennis, children's playground, walking trails.
24	Additional parking, and covered roundpen
23	I did not like this questionnaire as I could only check one thing under each priority!!!
22	signal light crossing for horses to trailhead

Question 6

Fall City Park District - Recreational activities survey

What recreational opportunity would you like to see established at Fall City Park or other potential location not listed in questions 4 or 5 above.

21	can we push King County to get SVT access 'officially' reopened? Great job, you guys!!
20	outdoor theater structure
19	Soccer, year round field, pro-turf
18	Cover over the arena, lighting
17	There is a frisbee golf course by Northgate. That's a lot of fun!
16	outdoor squash courts, more walking trails, bike trails
15	Repairing the horse arena fencing and footing.
14	Childs play gound
13	A foot bridge over the river
12	Community concert venue
11	Picnic areas
10	Round pen. I don't think your survey was operating correctly. I wanted to say that I use the arena often but it would not let me select that>? Check how it is working, I could not say I had no interest in soccer fields since I had already said I had no interest in baseball fields>??
9	Fall City should work strongly to keep its open rural qualities.
8	You pretty much have it listed above, but you didn't allow me to choose more than one area of high priority for improvement or expansion. I get that you're trying to prioritize what to work on first, but it might have been better to have me list the items in order of priority so that you could have comprehensively grouped all of our responses together. I think you're missing the opportunity to order the priorities. For example, for question 5 I would put adding tennis courts as a priority #1, playground #2, river access #3, bicycle trails #4, skateboard #5, horse arena #6, soccer fields #7, baseball field #8, walking trails #9, open use play fields #10. Just my thought.
7	Fix questions/survey did not allow answers to all!!!
6	I can't take this survey because it will not let me make choices with in the multiple scenarios.
5	Would like to see the Horse Arena footing improved.
4	Cover all or part of the horse arena
3	Soccer
2	In question #3 above it only allows you to choose one option for High Priority, and i use the horse arena often and also use the trail access for biking and running just as often. I would like to see the field in front of the park purchased for additional play area and parking, maybe something with a visual impact that is a nice entry to our town, like the Totem garden is.
1	reinforce trail linkage to Snoqualmie Valley Trail
