FCMPD Commissioners,

On June 14th of 2011, you unanimously voted to support Fall City Elementary School (FCES) by granting the Snoqualmie Valley School District \$10,000 toward its playground replacement project, contingent upon the award of the King County Youth Sports Facilities Grant (KCYSFG). Commissioner Moderow, the standing president, was informed via email last fall that we were in fact awarded the KCYSFG for our playground project. I now request the funding of your matching grant, payable to Snoqualmie Valley School District.

Attached you'll find the **Letter to Proceed** from the KCYSFG division which guarantees payment as we begin installation of our project, as well as your requested commitment letter of public use of the Fall City Elementary School playground from Snoqualmie Valley School District.

I humbly request that you please send the check to Fall City Elementary School, Attention Principal Dan Schlotfeldt at 33314 SE 42nd St. Fall City 98024. This will assure that the funds are deposited into the correct account for the FCES Playground Project, so as not to delay the project.

If you have further questions, please feel free to contact me. (425) 222-5106

Sincerely,

Sophie Harris
